

I am still living in New Hartford and owned a home for 43 years. Am married to my high school sweetheart, Don, for 58 years. He had a heart transplant (30. Year old heart received) 18 years ago and doing great. We raised 5 children, 4 boys and one girl. Four of the five live locally and one in New Jersey. They have all been successful in their professions and we are proud of their accomplishments. We have 9 grandkids, 8 boys and one girl. Our children and four of our grand kids attended New Hartford school. Two graduated and two still attending. We owned and operated our family Insurance and Financial business for 50 years, retiring about five years ago. The business continuing by our son and son in law. We spend our winters in our Home in Fort Myers, Florida playing bridge, golf and other fun things with friends. We enjoy the summer months with our family and friends. H
